NOTIFICATION – UNAUTHORIZED CHAMPIONSHIPS

Dear Skaters,

We would like to bring to your attention the upcoming roller skating championships that are being organized in **Tamil Nadu** and **Pondicherry**. It has come to our notice that **certain unauthorized and non-recognized championships** are being conducted in these regions.

We would like to remind all the skaters that participating in such unauthorized events could be risky and can lead to unforeseen consequences. These competitions may not adhere to standard safety protocols, and their legitimacy cannot be guaranteed. Additionally, please be aware that any certificate or recognition that you may receive from these unauthorized events may not be valid.

We advise all our skaters to participate only in the championships that are recognized and authorized by the Roller Skating Federation of India (RSFI) and are also recognized by the Government of India. The RSFI is the governing body for roller skating in India, and it ensures that all competitions follow standard safety protocols and adhere to fair play. Additionally, government recognition provides further assurance that these competitions are legitimate and authorized by the appropriate authorities.

Please note that participating in unrecognized events could result in disciplinary action being taken against you, which may impact your future participation in other skating competitions.

As a responsible skating community, we urge you to participate only in RSFI recognized and government-authorized competitions that follow standard safety protocols and ensure fair play.

Thank you for your cooperation.

Warm regards,

Dr. R. PRATAP KUMAR
